## Scientific Analysis

- **Your Basic Fortune & Destiny**
- **What does the Prashna chart say about obstacles in Job, year 2017 Career and freedom from troubles**
- **Remedies for protection.**
  
- **Your Basic Fortune & Destiny**

As your Vedic horoscope ascendant is Leo or simha and it is in the fourth house of your kundli or horoscope.

- Your may be Honoured, intent on their dharma
- You may also have a tendency to rebel against to conventions and also at the same time follow conventions

Moon in dhanu rashi or Sagittarius gives  
You have writing skill smooth and respected

- As rahu afflicts your moon and mind, You may need to control on morals and passion. Also as sun or surya is also afflicted by Rahu in your horoscope or kundli ,You need to guard on your image .has an aspect here so any rash or hasty step should be avoided
- The Leo ascendant makes you have many friends and be well like.
- You may have love for children and be well liked.

### Also

- You would be well liked, successful and stable- but vicissitudes due to rahu in life would be there
- Strong moon otherwise gives you good intelligence use it well
- Sun or surya the lord of the kundli make you too independent minded to be in control
- Moon in Mula nakshatra give you Interest in occult and astrology etc
- You would be respected with much comfort and luxury
- Fire & accidents are something you have to take special care of
- You have good intelligence and inventive mind
- You are happy and friendly nature

- Just OK for marriage as Saturn or shani sits in the 7<sup>th</sup> house.

- Based on your Jupiter period, Best period in life 38-62

## □ What does the Prashna Kundli chart say about debts ?

The ascendant mars are strong in 1<sup>st</sup> house indication of action (planning and execution) and doing things is the key to success now.

The karmas or career lord is Jupiter in 9<sup>th</sup> house of divine protection but on a retrograde Jupiter. Jupiter also rules 12<sup>th</sup> house of stress and worry. So you can see stress in career is there due to lordship of Jupiter of 12<sup>th</sup> house and being retrograde.

Rahu in the 5<sup>th</sup> house is aspecting the lord of career- so creating more obstacles and fear in mind.

Rahu is close to moon in 5<sup>th</sup> the lord of 4<sup>th</sup> = home and mind.

So over all panic /stress /obstacles could be there due to this.

The lord of status/position Venus is strong in 12<sup>th</sup>, with mercury which is debilitated and weak in 12<sup>th</sup> \ and rules 6<sup>th</sup>.

Aspect of Jupiter in 6<sup>th</sup> house of vighna gives obstacles to career work.

Saturn is also your lord of 11<sup>th</sup> the house of income.

## □ Your Concern Related Houses & Lords Analyzed Below

As you can see the major cause of trouble is Jupiter period running below

As Jupiter is retrograde now and also rules 12<sup>th</sup> house of stress and losses.

But by May Saturn runs, Saturn is strong in transit so would help you regain and overcome your obstacles.

Also Rahu is aspecting closely your ascendant degree 10:54 on the 9<sup>th</sup> house where your career lord Saturn sits and rahu is at 10 degree Leo. The problems is peak now and would go down by April month slowly as rahu losses degrees.

And you would be almost stress free by June mostly.; which is confirmed by your vimshottari dasha below.

But you may still have some surprises and obstacles till 4<sup>th</sup> of august 2017, after which you will be mostly free. 😊

August would be a time for you to restrategy career and life matters.

## Special bonus 2017 Career for you

- Jupiter transit in virgo in your second house of wealth and status, could promise great gains., but pains as well-all is needed well planned effort. In your case the gains might be bit reduced due to rahu. But remember every problem has an opportunity hidden in it to grow yourself .
- Success would come only with well planned efforts , as Saturn or shani rules your sub period fro the year 2017.
- This time the mantra is planning- execution
- Jupiter or Guru transit in Libra after September 2017 gives you good chance of improvement in position/managerial capabilities
- A disciplined investment is bound to give returns.
- Saturn is strong after July , so Success in heavy machinery and management related matters.  
also
- Your career would expand and you could expect good amount of effort

- There could be delays in what you deserve on the professional front
- Your delivering work in a discipline fashion would deliver good results
- Expect some coldness or roughness at the office environment
- Avoid stress due to overwork
- Your interests towards philosophy could increase in this time

## **Conclusion**

You have a strong conflict of mercury/rahu and Saturn

Where rahu= lord of obstacles and delays and surprises, which you are facing. Infact you have two or double rahu influences in you. So double effect. There is an aspect of Saturn that is very young now in dhanu rashi or Sagittarius and yes Pluto Saturn also makes you work hard and creates obstacles.

The placement of Neptune in your kundli or horoscope suggest you need to travel or take rest. So you need to guard your job well. Suggest you need some rest and re strategizing in life. So you could take off whenever possible plus please do YOGA or surya namakars and shavasana for your benefit.

So what you have said in the query is indicated in what planets say.

**Not to worry.**

**The problems is peak now and would go down by April month slowly as rahu loses degrees.**

**And you would be almost stress free by June mostly.; which is confirmed by your vimshottari dasha below.**

**But you may still have some surprises and obstacles till 4<sup>th</sup> of august 2017, after which you will be mostly free.** 😊

**August would be a time for you to re-strategize career and life matters.**
