**Your Concern Related Houses & Lords Analyzed Below**

The ascendant mars is strong in 1<sup>st</sup> house indication of action (planning and execution) and doing things is the key to success now.

The karmas or career lord is Jupiter in 9<sup>th</sup> house of divine protection but on a retrograde Jupiter.

Jupiter also rules 12<sup>th</sup> house of stress and worry. So you can see stress in career is there due to lordship of Jupiter of 12<sup>th</sup> house and being retrograde.

Rahu in the 5<sup>th</sup> house is aspecting the lord of career- so creating more obstacles and fear in mind.

Rahu is close to moon in 5<sup>th</sup> the lord of 4<sup>th</sup> = home and mind.

So over all panic /stress /obstacles could be there due to this.

The lord of status/position venus is strong in 12<sup>th</sup>, with mercury which is debilitated and weak in 12<sup>th</sup> and rules 6<sup>th</sup>.

Aspect of Jupiter in 6<sup>th</sup> house of vighna gives obstacles to career work.

Saturn is also your lord of 11<sup>th</sup> the house of income.

## Your Concern Related dasha or planetary period & sub periods analyzed below

As you can see the major cause of trouble is Jupiter period running below

As Jupiter is retrograde now and also rules 12<sup>th</sup> house of stress and losses.

But by May Saturn runs, Saturn is strong in transit so would help you regain and overcome your obstacles.

Also Rahu is aspecting closely your ascendant degree 10:54 on the 9<sup>th</sup> house where your career lord Saturn sits and rahu is at 10 degree Leo.

The problems is peak now and would go down by April month slowly as rahu losses degrees.

And you would be almost stress free by June mostly.; which is confirmed by your vimshottari dasha below.

But you may still have some surprises and obstacles till 4<sup>th</sup> of august 2017, after which you will be mostly free. 😊

August would be a time for you to re-strategize career and life matters.

- Good chance of improvement in position/managerial capabilities
- A disciplined investment is bound to give returns.

### **Conclusion**

You have a strong conflict of mercury/rahu and Saturn

Where rahu= lord of obstacles and delays and surprises, which you are facing. Infact you have two or double rahu influences in you. So double effect. There is an aspect of saturn that is very young now in dhanu rashi or Sagittarius and yes Pluto Saturn also makes you work hard and creates obstacles.

The placement of Neptune in your kundli or horoscope suggest you need to travel or take rest. So you need to guard your job well. Suggest you need some rest and re strategizing in life. So you could take off whenever possible plus please do YOGA or surya namakars and shavasana for your benefit.

So what you have said in the query is indicated in what planets say.
