so he is born to be a leader in some field. :).
he has been a super hero and leader in the film industry.
- Note he has **Aquarius lagna** for amitabh bachchan that is the kumbha lagna = 11th sign, you note $1 + 1 = \text{sun} + \text{sun}$, this is in harmony with the leadership qualities that are expected from Amitabh bachchan. also he has proved to be a

leader.

- yes Amitabh bachchan has been a leader for 4 decades in the bollywood. he has immense will power and adaptation due to sun. he will also face opposition to his success, as we know there was a time when he had had to restart his life . Plus his affair with rekha ji causes trouble to his family. sun the destiny lord is in the eighth house of the horoscope.

- **Also note Amitabh Bachchan has two 11's in his horoscope that is birth number is 11= number of idealism and leadership and yes capacity to reach the top and also his name number =11. so this two 11 = 11x11= double Neptune energy makes him a super power engine.** he is destined to reach the top if he or Amitabh Bachchan is able to use this energy well. we know we have used this energy constructively and he or Amitabh Bachchan is at the top.

- Note his lord fourth house is Venus (the Taurus sign) and is in the eighth house with the karma lord Mars, giving him tremendous and unexpected gains in his career. yes with obstacles as well as it is the eighth house. Venus is also the lord of fortune, luck and past life karma running the ninth house. so he or Amitabh would get good gains from his past life karmas well.

What makes Amitabh Bachchan still click at this age of 76 as well? Be it KBC or giving new advertizements!.

- **His maturity number or power number = 111= 1+1+1=3= Jupiter.** or sun+sun+sun =Jupiter. this means sun would always keep him

at the top and also Jupiter would keep him growing in wisdom , wealth and yes creative expression. KBC is a good example of this.

- He also has Saturn energy ruling him beyond the age of 50- so suggesting work, work and work for him. This would keep him kicking and alive lifelong !
- He is also running the Venus dasa - that is lord of name and fame and his luck and fortune the 4th and 9th bhavas. all this combined would give him great name and fame in life till almost end of his life. We wish him a happy and long life.

- **So we can clearly see that the basic high energy of Neptune and moon and sun, 11x11x 1** was well utilized by Amitabh Bachchan to be a success in money, love, children, family or any matters. he is also ruled by Aquarius the 11th sign. Proper use of energy can create a LASER out of anyone, so could you utilize your energies to the best by our super success or Anka Nadi report
