- A strong placement of 4<sup>th</sup> bhava lord promises good property and assets , and connection with the first bhava or your ascendant suggest good property inheritance , a strong or good connection with moon the karaka for mother suggest gains from maternal side.
- A strong connection with ninth bhav lord suggests gains from father and inheritance.
- To get more authentic information and better corroboration of what we arrive on the basis of d1 chart, a proper study the d4(chaturthamsa) divisional chart is needed. That's covered as an extension of this report.

Your d4 divisional chart

**• The Role of Your Eighth House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- The eighth house plays a significant role-and as 8 number is Saturn and 8 = land and money- it connects close to Saturn the lord of lands and also rahu = number 4, so 8 is a multiple of 2, as  $4 \times 2 = 8$  = Saturn- just like Saturn behaviour and represents land and look at the 4<sup>th</sup> house.
- Unexpected Sudden gains and also inheritance and yes longevity are connected to the eighth bhava or house.

**• The Role of Your Ninth House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- Your father is represented by ninth house and yes the purva janma punya or past life good karma, if there is gains from father(or even father figures) or conflict in property there is a connection of your 8<sup>th</sup> bhava lord with the 9<sup>th</sup> bhava lord.
- The ninth house lord and fourth house lord combined form a strong raja Yoga.

**• The Role of Your Eleventh House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- The eleventh bhava is the house of gains and also gains from friend and friendship , so any connection with the fourth ,eighth or ninth bhava means gains from all these sources.
- Eleventh house could mean gain in some form like getting a gifted car or house or gifted home if 11<sup>th</sup> bhava connects to the fourth bhava or say gift from father or past life good karma if connection with the ninth bhava or a gift of inheritance or connection with the eighth bhava or house is made.

**What is the Actual status of Second House (bhava) Lord , Fourth House (Bhava Lord), Eighth House (bhava) Lord ,Ninth House (Bhava) Lord & Eleventh House (Bhava ) Lord in Inheritance in your Horoscope or Kundli(Birth Chart)?**

**• The Actual Status of Your Second House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- The second bhava lord is exalted in the 6<sup>th</sup> bhava. Though a bit old and combust.
- But still it would give you good money.
- So as per Vedic astrology one could gain from enemies as well. But one has to take care of debt.
- You could generally earn well through, rents, shares and interests.
- If having elder brothers gains through him. It could be cousins as well. But ensure any conflict does not come up as Jupiter is in the 6<sup>th</sup> bhava.
- Sun/Venus, mercury the lord of 7<sup>th</sup> /4<sup>th</sup> and 5<sup>th</sup> is there. So one could gain in partnerships and from mother or maternal side despite conflicts.
- From moon Jupiter is the lord of the second bhava in the ninth bhava, this could give fair enough status and wealth flows for proper assets in life.
- Also note your destiny number = 9 = 9<sup>th</sup> sign is dhanu or Sagittarius the karaka for money.

**• The Actual Status of Your Fourth House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- The 4<sup>th</sup> bhava lord is Venus the planet of comfort and luxury it is combust and in 6<sup>th</sup> bhava in the sign of cancer,
- So over all as Venus and moon go on well and Venus is karaka for home/family and mother one could have a fair enough home or house.
- You have to avoid anger and take care of lungs or common flu like problems.
- So over all good for property and conveyances and gains from public activities.
- So apart from a slight possibility of conflict in family Venus would give you a fair enough and distinct home or house as per your living standards.
- As you are born on 2<sup>nd</sup> moon and Friday(number 6<sup>th</sup>) so over all moon and Venus would suggest basic gains from mother and also good enough gains from mother and life partner possible. sun is the 7<sup>th</sup> lord

**• The Actual Status of Your Eighth House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- As 8<sup>th</sup> lord is in the 6<sup>th</sup> bhava, so two negatives combine and we get positive. This is raja yoga karaka and could lead to material affluence and also name and fame for the individual. But as the 6<sup>th</sup> bhava is the house of diseases as well so one could suffer with diseases, loss of money,

thefts and court matters as the sixth bhava or house deals with the same.

- In mercury periods Yoga so much recommended.
- As 8<sup>th</sup> bhava lord is in 9<sup>th</sup> bhava from moon, one may have small or some issues of father's property. There could also be slight misunderstandings with life partner. Also you are august born number .
- May cause tiffs with life partner. We just recommend do suryanamaskaras to keep problems at bay.

**• The Actual Status of Your Ninth House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- As 9<sup>th</sup> lord is in 6<sup>th</sup> bhava, father needs care for chronic diseases or health problems.
- As benefic in the 6<sup>th</sup> bhava, you may gain wealth by successful termination of father's legal problems and also by compensation.
- Venus is strong enough so in its dasa or bhukti fair enough property and conveyances is possible all over life.
- Also venus is blessed by Jupiter and sun is close by. So yes basic gains from father is there.
- Venus is also good for vehicles or cars etc.
- The 9<sup>th</sup> lord moon is in scorpio in lagna so over all OK though weak- so over all gains from

parental property possible. But health of father needs basic care.

**• The Actual Status of Your Eleventh House Lord(bhava) in Inheritance and property matters in your Horoscope or Kundli(Birth Chart):**

- As 11<sup>th</sup> bhava lord Jupiter is in the 6<sup>th</sup> bhava, so you may gain from maternal relatives and also from litigations/conflicts or hospitals or nursing homes.
- As 11<sup>th</sup> lord bhava Jupiter is afflicted and combust as well in the 6<sup>th</sup> bhava, then you would gain money by making people get into conflicts.
- Jupiter here blesses your mercury and yes sun as well. So over all gains from life partner and also from stocks possible, especially I Jupiter dasa and bhuktis.
- Venus aspect gives great blessings for vehicles and properties in dasa and bhukti periods.

- 

**Special BONUS:**

- Om Namoha shivaye 108 x as many times possible
- Maha mriyunjay japam would help you a lot.

**What is the Role of Mars & Saturn /Jupiter in Property and inheritance Matters in Inheritance in your Horoscope or Kundli (Birth Chart)?**

- **What is the Role of Mars in Inheritance in your Horoscope or Kundli(Birth Chart)?**
- Mars is a hot planet and to do with lands . It is called as dharti putra and also is the karaka for the 3<sup>rd</sup> bhava of initiatives and brothers, so mars has a strong role to play for the land related matters.
- A strong mars or mangal indicates gains from brother, siblings and also lands are possible if other indications are good. It is also for fixed assets like flats and buildings
- **What is the Role of Saturn in Inheritance in your Horoscope or Kundli(Birth Chart)?**
- Saturn or shani dev is again number 8= is karaka for eighth bhava and represent land and also property(inheritance) so a strong Saturn does contribute to the land and yes inheritance or sudden gains for the person.

- **What is the Role of Jupiter in Inheritance in your Horoscope or Kundli(Birth Chart)?**

- Jupiter is a benefic and a planet of grace of GOD and guru and also karaka for 9<sup>th</sup> bhava or purva punya , that is father and past life karma, so a strong Jupiter would give good gain from father even if the lord of 9<sup>th</sup> bhava is weak to some extent.
- Venus is for high status things and as we know it is for luxury and conveyances.

**What is the Status of Mars & Saturn /Jupiter in Property and inheritance Matters in Inheritance in your Horoscope or Kundli(Birth Chart)?**

- **What is the Status of Mars in Inheritance in your Horoscope or Kundli(Birth Chart)?**
- Your mars are weak in the 5<sup>th</sup> bhava in the d1 chart. so over all after marriage child bearing for wife needs proper care for the life partner.
- It represents fixed assets like built up properties
- Mars is lord of 7<sup>th</sup> bhava and 12<sup>th</sup> bhava in 2<sup>nd</sup> bhava so one has to invest with basic care in the fixed assets properties as per the d4 chart.
- Also gains from brothers and siblings may be less.
- More action at your end may be needed for success.

- Lands as such may not give great success though buying homes or flats could.
- **What is the Status of Saturn in Inheritance in your Horoscope or Kundli(Birth Chart)?**
  - Saturn or shani is lord of your lagna and also 12<sup>th</sup> bhava and is in the 7<sup>th</sup> bhava with rahu.
  - So as 7<sup>th</sup> bhava is Kendra bhava the basic gains is there- but the number 8 or to do with lands needs care.
  - Slight care in investments and partnerships is needed as rahu sits in the 7<sup>th</sup> bhava close to Saturn.
  - From moon the Saturn is lord of 4<sup>th</sup> and 10<sup>th</sup> and is in the 10<sup>th</sup> house with rahu.
  - So over all if rahu and Saturn combine well- it could give you good deals. But for sure you have to avoid shady and any deal that is not clean.
- **What is the Status of Jupiter in Inheritance in your Horoscope or Kundli(Birth Chart)?**
  - Jupiter the planet of activity & growth in 6<sup>th</sup> affects the overall activity profile of the person. One has to avoid black magic or tantric in any case. Liver needs care. One has to avoid indulgence of any kind.
  - But over all Jupiter is strong so blessings from past life and yes parents are there for land and property matters.

- The 2<sup>nd</sup> and 11<sup>th</sup> lord in d1 is Jupiter and Jupiter is also lord for the property etc in the d4 they are the same. So relatively OK as Jupiter is OK in the d4 chart in the 12<sup>th</sup> bhava
- As 4<sup>th</sup> lord is in the 9<sup>th</sup> bhava though weak in Capricorn- still it promises above average and good enough properties.

### **Status of Venus in the d4 chart**

- Venus representative of luxuries and vehicles is well placed in the 6<sup>th</sup> bhava though. So over all good for vehicles and luxuries. But avoid excess loans or emi's and drive with care. But nothing to worry here.
- The 5<sup>th</sup> bhava lord is also here so blesses the Venus. The next gen may spend more on cares etc 😊
- Ketu is in the 4<sup>th</sup> bhava so just a word of caution of guarding properties against natural calamities also upaayas is donating to temples.
- Moon is in sanak division, so this gives craze for having happiness.
- It makes the person totally focussed on the said goal. One is very focussed on what one has to do as this division also rules eccentricity.
- So over all minds would remain focussed on getting good properties that is good sign for you.
- The d4 lord Venus is in the sananda divisions – so "The person is generally happy and prosperous."

- Weak moon aspects the lagna in the d4 chart so own well thought and with life partner well thought decisions have to be taken for success.
- Saturn and rahu in the 10<sup>th</sup> suggest that only well thought and planned actions for party and assets matters would get results- but that also fair enough results.

**Your Specific Query Analyzed Here ( BONUS-  
basic comment on ONE core Query of yours to  
do with legacy)?**

- **What about the ownership of my properties. In coming few years?"**
- Vedic astrology is a very effective and powerful system of predictions. It tells the possibilities and potential of your horoscope relative to your current social status.
- But sure if there are exceptional planetary combinations are involved it could mean exceptional changed.
- So over all telling exactly the properties or assets one may have on objective sense is sort of not aligned with Vedic astrology.
- But over all subjectively it can give you a powerful over view and advice on inheritance, property and lands/vehicles etc.
- Over all for you due to Venus, home and yes conveyances would be good enough, lands deals could be OK but one has to take care of issues due to rahu being close to Saturn and yes mars being weak.
- Inheritance should also be fair enough for you.

### **Various House analysis of the D4 or chaturthamsa divisional or varga chart?**

- **Like House One (1)** in d4 chart= tells how you would use wealth for enjoyments /sufferings/wealth accumulation for happiness.
- As Saturn is strong in Kendra as discussed above with rahu. So fair dealings if done could help well enough in acquisition of lands and happiness.

- Mercury here the lord of 2<sup>nd</sup> bhava and 5<sup>th</sup> as well. So you may invest in stocks and also fun related activities as 5<sup>th</sup> house involved.
- As mercury is strong in 6<sup>th</sup> so good capacity to accumulate is there and so would give good happiness for from acquired properties .
- Mercury is good benefic for you. Though properties in Saturn period may give certain issues. Note Venus the lord of luxury and property is also blessing your mercury and with strength. Your life partner could also contribute to the same.

- Mars is in sanaka division could give you sudden access of courage to for properties- this has to be tempered by Yoga and yes meditation for best results,.
- As in d1 mars is bit weak in 5<sup>th</sup> bhava- so you may have shown some initiative and also some new ways of earning- but calculated risk taking has to be increased slowly. Also moon the lord of 3<sup>rd</sup> bhava is debilitated in the 7<sup>th</sup> bhava. So one has to be firm in decisions and risk taking and avoid any wavering, but a disciplined and well planned approach.
- **House Fourth(4) =** What are your fixed assets and what would be your fluid assets. Also as

fourth house is mind the sense of contentment and happiness due to wealth.

- Sun in the 9<sup>th</sup> bhava though not strong but still suggest proper initiative would help you in fluid and fixed asset and infact good enough gains for you.
- Your sun is also in sanat Kumar division- so there is a revival of happiness and gains time and again.
- As in d1 Venus sits strong in 6<sup>th</sup>- in cancer sign so good for fixed assets and also good for fluid assets like money and stocks. There could be gain in sense of contentment. But sure investments with care due to presence in the 6<sup>th</sup>- but over all due to Jupiter and Venus and moon being OK with each fair enough.

- Venus is strong enough here. Yes mercury lord of 5/2 are here chance of losses is very less.
- Also note Venus is in the sananda divisions

- **House seventh(7) :** How the public would view the wealth. That is your image that wealth cares.
- Mars a malefic in the 2<sup>nd</sup> bhava of speech, also moon that is weak there- so public perception has to be handled and people talking bitter has to be handled.

- Jupiter here means as it is in the Santana division- The happiness is permanent or eternal. It will not go down .Generally atama karaka planets are like this.
- **House ninth(9)-** as wealth and religion connect so how much you would spend on religion or dharma and how.
- As Saturn is there so may be earlier you may not spend on dharma but later on you would spend or even build things for dharma or dharmarth.venus is in sananda division.
- This is a division of pleasure- he or she accepts happiness with pleasure. The person is generally happy and prosperous.

- Saturn is strong though with rahu so your own actions would be helpful or wealth in general. They would not generally culminate into losses.
- But even if in the worst case ,there are problems due to sanat Kumar division : so there is a revival of happiness and gains time and again.”

- **House eleventh(11):** This house is of friends and gains, so gains of wealth by good will and friends or peoples benevolence.
- There could be fair expenditure on friends or fun.
- But overall the happiness is permanent or eternal. It will not go down.
- **House twelfth(12):** As the twelfth bhava is for expenditure, this indicates the wasteful expenditure on health and also wealth outflows. End of happiness. Money spent for lust. If the 1<sup>2th</sup> lord is in 4<sup>th</sup> bhava as 1<sup>2th</sup> bhava is foreign and 4<sup>th</sup> bhava is own- one lives in someone else’s house.
- One has to avoid debt and also activities that are not said to be great as per norms of society. Eyesight and family could be affected by this

combination. One has to avoid gossip and travelling.
