## **What Health Problems You Are Naturally Prone To?**

Due to Saturn in Leo and being weak in Leo and in 6<sup>th</sup> house with rahu, plus ruling the house of continuous illness the 12<sup>th</sup> house- you are prone to problems of nerves.

The disposer of Saturn sun is very weak in 12<sup>th</sup> house, so this adds to the weakness and malefic nature of Saturn.

Mars rules muscles and is with ketu sending energy to Saturn.

So Saturn, weakness of sun and mars and rahu-ketu all together could cause the neuro muscular problem to you.

Also

Also mercury is in Pisces, so debilitated and weak – so causes stress disorders and also adds to the nervous strain of yours affecting the muscles.

## **What Exercises would suit you the best**

You have a very strong ascendant Jupiter but retrograde, in 5<sup>th</sup> house. So you might be keen on vedic knowledge, occult, tantra etc and might think about after life more than average.

Also as moon is weak in degrees in Taurus and also mercury is debilitated- doing Yoga (slowly under super vision) is recommended.

You should visit a qualified doctor who could relieve your mental stress.

Yoga would also relieve your mental stress.

Also an aspect of weak Saturn and rahu on your moon could make you depressed a bit and may think more about black magic or other ghosts.

You will have to work with a qualified doctor Plus do Yoga step by step and do the upayas suggested to come out of the problem.

- **Is there a possibility of Black magic in Your Chart?**

You have been running rahu main period for a while- so black magic etc is a possibility- but at the same time as rahu aspects your mind along with Saturn, there is a fair chance there could be mental causes for the problem affecting nerves. For which we have suggested remedies.

Your ascendant is fair enough though retrograde – so chance of black magic or it having effects is much less. The chance of mental and nervous stress due to rahu, Saturn, weak sun & agitated mars is a higher chance.

- **What is the actual Cause of your problem?**

Already discussed above

Plus

rahu-MON till 20/ 1/17

rahu-MAR till 8/ 2/18

Then Jupiter or Guru runs

You run rahu-moon till jan 2017

Then you run rahu mars- till Feb 2018

The rahu-mars period would be slightly better for you with some relief to the problem. After rahu you run Jupiter – when you would be absolutely free from the problem!
