Dear Mr.ARJUN PUNDIT ,

Thanks for your trust.

You have a long name, 5 words-. To build focus and for success using max of 3 names or shorter version of names is more affective and powerful.

We will try to give you a good combination.

Your name A B C comes to value of  $80=8+0=8=$  SATURN.

Saturn is a ruler of obstacles as you know.

Your destiny number=  $11(\text{Nov}) + 30+1956(=21) =$

$11+30+21 = 11+3+3 = 17/8=$  Saturn. Once again cause of obstacles and delays.

Now as you are born on 30 November the time for Sagittarius, ruled by Jupiter the ruler of money. Also  $30 = 3 + 0 =$  Jupiter-saturn combination.

So your day number =  $30 = 3 + 0 =$  Jupiter

Month number or sun sign = Jupiter (Sagittarius and Scorpio mix).

Jupiter stands for money- then why is there an issue in money flow?

The reasons are people born on this date generally have issues with money after crossing middle age. But not very generally.

Also Your core numbers are Jupiter (stands for money) and Saturn (stands for asceticism and less money more problems). You have more energy of Saturn.

Also in your lagan chart below

Lagna Chart

Saturn rules obstacles that is 6<sup>th</sup> house. It can create severe obstacles to any of your ventures as it is in 3<sup>rd</sup> house.

**So Mr ARJUN PUNDIT = {30% Jupiter energy} + {50% Saturn energy} + {20% Mars energy}. We want to increase Jupiter energy for you.**

**So your numbers and astrology both confirm to one thing!(You see the Magic of astrology and numerology- your numbers and planets both talk the same thing!) That is increase energy of Jupiter and decrease energy of mars. Jupiter is fine in your case.**

By Your horoscope you also have a malefic mars and sun. So you have to avoid being aggressive/impulsive and dominating or insistent on your views for success.

### **Specific Analysis:**

#### **Self awareness helps to do better business (about you):**
