## **Role of sixth House , Eighth House & Twelfth House & Litigation**

The sixth house is the seat of conflict and litigation. Any planet associated with this house or lord of this house or transiting the sixth house could be a source of conflict or litigation for any one. A benefic aspect of benefic Jupiter or Venus on this house or lord of the sixth house could mitigate a lot of issues and problems and lead to success in litigation.

The eighth House lord and eighth house are dreaded and considered to be the most malefic houses. As they generate sudden and malefic energies for strong and sudden conflicts in one's life. Also any natal planet in this house or conjunct with the eighth lord or transiting this could transmit the malefic effects

The twelfth house similarly is the house of expenditure and confinement. If the lord of this house is badly afflicted or the house is badly afflicted to connect to the ascendant- it could even cause confinement or jail to the person concerned.

### **What is The Actual Status of Your Sixth, Eighth and twelfth House and lords and other planets concerned in your natal chart?**

The lord of 6<sup>th</sup> house is Venus the lord of Libra and it is in the 1<sup>st</sup> house of self is strong.

In general it could in certain situations or planetary conditions give gains from enemies as well as Venus is a benefic planet. There is an aspect on the 7<sup>th</sup> house by the planet Venus. So legal issues could affect job matters .

The eighth house lord is law master Jupiter is in fourth house & strong enough. But it is with malefic mars that rules 12/1 , so outflows due to partnerships be it person or professional and conflicts is a possibility.

The 12<sup>th</sup> house lord is mars or Mangal is in the 4<sup>th</sup> house and fair enough with the aggressive ketu aspecting here. So mars could cause breakups and issues in job in its sub periods.

### **Role of Rahu & Ketu/Mars & Saturn in Litigation**

Rahu ,ketu, Mars and Saturn are natural malefic. So apart from their being in sixth/eighth or twelfth house( especially for rahu and ketu) even presence of Saturn or mars or even ketu cause conflict situations related to the aspects related to that house.

Like presence of Saturn or shani in the tenth house of career if not well fortified could cause career related conflicts etc.

### **What is The Actual Status of Saturn, Rahu,Ketu & Mars in your natal chart?**

Mars has already been discussed could cause sudden breakups in job and cause expenditure on legal matters.

Saturn in 4<sup>th</sup> house & is very weak here plus old as well. Saturn rules your career and luck.

You have to in general take care of legal disputes due to career and landed property or home as well. Ketu will function same as Mars or Mangal.

### **The Role of Saturn Transit in the Sagittarius sign or dhanu Rashi and Litigation**

As Saturn transits the 8<sup>th</sup> house, there could be an increase in outflows of wealth & endeavours might be less fruitful this time. Especially when Saturn is weak & retrogressed in transit till at least August 2017. Legal matters might come to a peak now.

### **The Role of Rahu Transit in the Leo sign or Simha Rashi and Litigation till September 2017**

The Rahu transit in the 4<sup>th</sup> house till September affects the mental peace and career. Also could impact the image of the person to some extent. But not to worry one should follow upayas for benefit.

### **The Role of Rahu Transit in the Cancer sign or Karkat Rashi and Litigation after September 2017 & 2018**

This is an auspicious transit. You can win legal battles. Friends would help you and your ventures would be more successful now.

### **The Role of Jupiter Transit in the Virgo sign or Kanya Rashi and Litigation till September 2017**
