SECTION – B) Your FULL HOROSCOPE- 12 HOUSES ANALYSIS

· FIRST HOUSE [UDAYA/TANU BHAVA]:

· This house basically covers matters related to your personality, looks, attitude, temperament and basic strength of your horoscope.

The lord of the horoscope or kundli is Leo or sun the planet surya This is forming a raja Yoga in the eleventh house This clearly suggest a lot of gains for you and earnings in life but with your initiative Your sun is strong enough sitting in the tenth house of career on Venus or shukra as its disposer This Venus is strong enough in 12th house. So suggest that you could get a very good position in life in career- but that only in either travelling job or foreign lands as Venus the disposer is sitting in the twelfth house of foreign travels

Dev Guru Jupiter is blessing your planet sun or surya leading to expansion and growth in life and your kids could make you feel very proud

Your Nakshatra or birth star is Mula- giving you the ability to think deeply and solve complex problems easily Mula could give you a lot of anger as well so that you will have to be careful about the same Sexual impulses need to be properly channelized for success

Sun Gives you a very strong personality and also being in 11th house gives you a lot of respect in society for sure

As suggested earlier Sun is good vitality at times- this could be easily taken care of by doing Yoga

Particularly the exercise of suryanamskaras would be very beneficial for you to attain full potential of your body

As sun is weak in digbala, You may tend to be too dominating at times- a thing which if avoided could win you friends Bu at the same time you could be very caring and have a religious bent of mind-rooted in ancient customs

Sun or surya is karaka for this house- so all the effects given below would be magnified

You can become popular, but slightly short tempered at times,

In the periods when sun is weak in transit:
Oct/Nov and December to some extent in general, You will have to be careful of the problems arising due to circulation of blood ,eyesight, headaches ,and bones and may be take special care of weak immune system and avoid any kind of indulgence

There might be some amount of ambition in your personality as you are influenced both by sun and Jupiter Following your goals with discipline will help you achieve the same

You have to remember that you will progress through your own efforts and yes gains are promised

Your chart indicates a deep interest in religion and philosophy/occult astrology) as of your personality as planet moon is very close to Jupiter

As sun is sitting as weak dispositor Venus, You will take sudden decisions and will surprise everyone with that You may have qualities like self-discipline, frugality in spending money, responsibility, maturity, dedication to hard work and sobriety

Also you may have some traits or thought processes which are not in conformity with the present society It could be some different way of thinking as well

Your main drawbacks will be egoism, sudden impulse of emotions and may be not being able to stick to one thing

· **SECOND HOUSE [DHANA BHAVA]:**

· This house basically covers matters related to your family life, speech, thinking patterns and accumulation of wealth, success in investments, income source and general level of affluence

The lord of the second house is mercury or budha- which is placed in your tenth house of career This is a good raja Yoga and denotes success in IT(information technology), computers or accountancy and yes mathematics

Planet Jupiter would give you great growth Good gain of position in above areas is suggested

As per classics like brihat parashar hora shastra
As Dhan's Lord is in Karma Bhava, the you could be honourable and learned;
He could be having many wives and much wealth, but he could be bereft of filial happiness This has not been taken literally, only part of it is true

As mercury rules your eleventh house and also your second house, You have to take special care about keeping your skills sharpened and your earning capacity

As mercury again sits on a dispositor of Venus that sits in the house of vayay/expenditure that is the twelfth house, You may want to put in the habit of earning and accumulating and not spending in impulse

You may not be very incisive or calculating about money matters This awareness needs to be built up for your own benefit

There is a chance that you may save on trivialities only to squander major amounts on luxuries and expensive entertainment at an impulse

being the Leo sign You may enjoy being entertained and served in a royal fashion

When financial affairs aren't in good order, worrying about them can affect your health

Practice of communication skills would help you in career as well

Please plan for future and save for the rainy day- as you could expect problems in money flow from time to time

Anything dealing money flow or investment may not be as lucky for you as compared to other people So I would recommend caution

You may also take-up to singing to improve on your communicative abilities

· **THIRD HOUSE [SHOURYA BHAVA]:**

- This house basically covers matters related to your initiative, courage, competition, communications ability, siblings, friends and other associates

Your lord of the third house is Venus or shukra, which is in the twelfth house of travel and outflows which means you might travel a lot and connect to foreigners in regard to career or business
As Venus rules the third house, You will have artistic and a creative talent

Mars the karaka for this third house of shourya is weak- so extreme anger or aggression should be avoided You might deal with consideration and good deal friendliness in groups

As Venus is in the sign of cancer, Your mind would have artistic, and idealistic traits

Though you might be dominating- but still you might use friendliness and care to resolve any family conflicts arising

You express their ideas well

You are friendly and caring toward their brothers, sisters, and neighbours

You like to travel in luxury

· **FOURTH HOUSE [SUKHA/MATRU BHAVA]:**

· This house basically covers matters related to your parents, domestic harmony and the level of happiness in life

The fourth house lord is mars that is weak in the twelfth house. This house is ruled by mars, so may not signify great in regard to property matters or foreign travels You might travel to foreign lands – but that may not be fruitful mostly Your stay in foreign lands could be not so good

The karaka for this fourth house moon is strong enough, exalted- so gives basic protection to mother and also helps you think clearly

Given the lord ship of your kundli by sun and mars is weak/debilitated in twelfth house- sexual conduct should be proper at your end

You have strong feelings about the home and family life

Certain matters regarding family matters are kept locked away and very private

There could also be strong loyalty towards family members

You don't waste time coming to their defence when this becomes necessary

In return, you expect the complete respect and loyalty of your family members

You have a sense of royalty, splendour, and space in the home environment

Even if you are not born to this, it's very likely that you will be living in the grand style later in life

You do a lot of growling around their family; it's the nature of the beast

But the privilege to growl is confined to the king

Outsiders should not step on the toes of any member of the family or they will know what it is to have a lion at bay

Often there is a great deal of activity in the basements of your homes or in your dens, and you need your own private 'dens' somewhere

You will have to work hard to maintain good and happy family life

There are indications of strong obstructions and difference of opinions within the family- which could affect the family peace All the remedial measures suggested earlier in the report should be used

Taking special care of family members is absolutely essential

· **FIFTH HOUSE [ATMAJA BHAVA]:**

· This house basically covers matters related to your children, status and creative powers

The lord and karaka of children and thinking and also education is Jupiter is sitting in Kendra house of tenth/career It is fair enough and gets strengthen in the Kendra house So based on strength of Jupiter ,it suggest You want to provide the best for your children, even spoiling them

Jupiter could give you expansion and good fortune

You may be too inclined to make them religious and self respecting individuals

You have a constant need to show off, and you enjoy the thrill of any adventure

Jupiter & mercury together in the tenth could give you a good understanding of young people, and you can get along with them so well because you treat them with true respect as individuals

Your self-expression is marked with optimism, high expectations and domination

Even if there are forces out there that impede your progress, your spirit may still stay high

You are artistic and creative, and usually flamboyant

You have to avoid any kind of aggression or offensiveness against others or the group you may move around. The key to happiness is control of emotions

You especially like religious and philosophical dramas that give them insights into life's significance

Control on impulses takes us a long way in life

· **SIXTH HOUSE [VIGHNA BHAVA]:**

· This house basically covers matters related to your enemies, health problems, debts, obstructions and service to others

The lord of sixth house and karaka of the sixth house is Saturn or shani is in the fifth house. So this could give some bad health and delays in your having kids. Keep the mind positive and avoid fights. As Saturn afflicts a benefic house of fifth, you have

to be careful about debts not growing

You may tend to pick work that is limiting and not fulfilling

As suggested earlier- the body/health needs to be taken care of So take special care for your health

You fail to count the cost of your attitude toward work at times, eyeing only the achievements

As a supervisor, you could be stern in demands and apt to be a disciplinarian

Saturn or shani being in the fifth house could mean You being at times intensely serious about their professions

Anyone who scoffs at your endeavours at work will again have a lion to deal with

When you work you work hard You are organized in you work

Ensure a constant flow of money to ensure that the needs of the family are met on a constant basis

· **SEVENTH HOUSE [KALATRA BHAVA]:**

· This house basically covers matters related to your marriage, partnerships and all other relationships

The karaka for wife Venus also is not exceptionally good

Her status might not be same as yours

Saturn rules this house and also aspects this house and rules the sixth house of vighna- so health of kids might affect your marital relationships There could be frequent fight in relationship

You have a drive for independence in relationships

It often shows a degree of trouble on this account

You are more inclined to pick a partner who, like yourself, is highly individualistic and independent But at the same time based on your chart you may chose a partner may be in an impulse

As our ascendant is Leo or sun ,You attempt, nonetheless, to keep a tight rein on your mate, though you may insist on maintaining much of your personal freedom

You're the sort who wants to have your way, to do what you want, when you want

This attitude doesn't lend itself very much to marriage unless you can find a spontaneous person who can adapt to your style

A mutual understanding must be reached

Partners will be friends, and the most fruitful relationships for you are likely to be those that remain detached, and those in which the two of you are not so demanding upon one another

Your partner may have relatively stronger religious inclinations and yes you could expect some amount of caring nature as well

Expect your partner to have interest in religious matters but might also be too conventional

, you would have divine grace in general to save you from any trouble here

In partnerships, you like to be free

You are protected by divine grace for a relatively happier married life

You have an instinct to centralize things in partnerships, and when you are married you want to know, for no rational reason, the whereabouts and activities of all

The king must know what his queen is up to

· **EIGHTH HOUSE [GUHYA BHAVA]:**

· This house basically covers matters related to unknown or hidden or suspicious issues, unearned wealth, sudden losses of wealth and also property and luck

Saturn the karaka of this house is just OK, so could give you fair enough longevity and gains
As the lord of the eighth house is in the tenth house of career, there could be great enough impediments in career You might face more than average obstacles
You have an OK intuition and sometimes even psychic inclinations

There is worry and concern over joint financial affairs,

Personal desires may have to be renounced

There is likely to be confusion or disappointment concerning legacies and you may be deprived of what you assumed was to be yours

The nature of Pisces is compassion, and in a material sense, you are likely to be called on to meet obligations and responsibilities to satisfy your inner needs

You could be especially frequent pill poppers, even if the pills are vitamins and minerals

Generally there are peculiar conditions concerning inheritances, and many times you inheritances are dissipated even before you receive them

· **NINTH HOUSE [DHARMA/BHAGYA BHAVA]:**

· This house basically covers matters related to your level of luck, length of marital life, interest in religion & spirituality and level of morality

The lord of this house is mars or Mangal is in 12th house, which could make you successful in foreign lands It could make you fairly religious- but as mars is weak and Jupiter the karaka of ninth house is not very strong , even despite hard work luck may not support you much

You may preach dharma or ethics to people due to presence of Jupiter in the tenth house. So have an optimistic and forward-looking spirit

You take the initiative in forming plans, realizing that all enterprises begin with ideas

You have no problem visualizing your goal and you are such a positive thinker that you are sure you can get there

No matter how bad things get today, you know they'll be better tomorrow

You're a trail blazer that loves to travel, but you want to have the path well planned and know the reason for the trip

You natives instinctively know that all things originate in the Eternal

As a result of your visionary thought, your creativity is often expressed dramatically

You do not want to be suppressed by traditional religious forms

You tend to be crusaders for your ideals

Avoid getting into land deals

This house also indicates your interest in occult (Like astrology) and philosophy

Avoid picking up any conflicts in general

· **TENTH HOUSE [AGNYA/KARMA BHAVA]:**

· This house basically covers matters related to your career, your Karma & the kind of deeds, your authority and name

The lord of tenth house is Venus is a bit weak in twelfth house, but still OK – this could give you gains in regard to art and literature anything that has to do with arts and also accountancy/IT /computers and stocks and mercury is close to the same

As sun is fair enough in the eleventh house this could give you fair enough name and authority as well

You have a drive to earn money in the main to support a standard suitable to your high self-image

You may have a strong drive for personal prominence

You are possessive of what authority you may develop and you find it difficult to relinquish the reins of power

You could face a lot of constant struggle/obstacles and inconstancy on the career front

Also the chart indicates that changes in career could be there as you may not be able to stick for longer periods Sticking at one place and building focus would help you greatly in the long run

Avoid any tendencies to suddenly leaving jobs or getting a bit emotional at job

This is in your best interest to either go for name change or Vedic remedies to give your career the right boost

You desire prominence and wealth- also a lot of struggle on the professional front may make you frustrated at times- so the best bet is to stay cool

· **ELEVENTH HOUSE [LABHA BHAVA]:**

· This house basically covers matters related to your gains and inflows from various sources

The lord of the eleventh house is mercury the planet of money flows or finances and is fairly placed in the tenth house of career So given your quick intelligence and mathematical ability (commerce/accountancy/CA/IT are good areas for you)- you will do very well in services and earn a good amount of money, This is confirmed by Jupiter the karaka for money

You r inflow of money could have inherent delays involved in it

There some divine grace in your case in case of flow of money to you

You love loyal friends very easily

You could have inflows of money from more than one source- but it would not be commensurate to what you actually deserve here

Some time trough to get desires support from others

· **TWELFTH HOUSE [VYAYA/ANTYA BHAVA]**

· This house basically covers matters related to sexual desires

& their fulfilment, losses, expenses, travels to other countries and events beyond your control

Your lord of twelfth house is moon or Chandra in the tenth house of career in Taurus sign or vrishabha rashi. This could make you gain from foreign lands- and also give you a great deal of comfort in your job matters

The karaka for twelfth house is Saturn and is not exceptionally strong, this could be strengthened by chanting Om Namoh Shivaye 108x as many times possible daily

You could expect your dreams to be fulfilled with much of troubles- but yes suddenly with quickness at the end

Your expenses on your show could be high I mean the projections that you want to make to the society

You could be sexually very dominating and aggressive at times Though it would be normal activity for you in general

Your travels may not get you big gains- but do expect small gains and take special care to protect your image or reputation while travelling or picking up any sort of deference when at travel You will be successful then

You may travel to foreign lands- particularly in periods of moon- but in general it may not be very beneficial for you

Certain events may happen in your life which are totally beyond your control- but may originate due to some conflicts and might have a sudden nature

You could reduce your too much worry by Yoga and meditation

Yes, you may have good amount of struggle in life- but the first thing is that stay cool and take the best path (Without being impulsive) and then not to worry Vedic remedies would take care of a lot of matters

SECTION – C) COMING 2 YEARS PREDICTIONS

You are running Rahu –Rahu Period Till May 2019 for coming 2 years

Rahu is sting on your 7th house ruled by sign Aquarius or kumbha rashi. It is fairly strong- but rahu being of un predictable nature could make you travel to foreign lands especially in the year 2017 ending after Jupiter transit the Libra sign

Rahu aspects your eleventh house of wealth and gains – so you might get an unexpected raise in salary or a great foreign offer as rahu deals with foreign lands

Rahu aspects your first house of self and image- so follow the social norms and avoid any rash behaviour this time Take good care of your image

The 9th aspect of rahu is in the third house of initiatives and people around- so it clearly suggest you could either travel to Arab countries or USA(United states of America) by the end of this year. As the transit Jupiter would also be in the third house of your initiatives

CAREER:

You might have gains in terms of money at this time, after September 2017. Also expect sudden reversals in situations at office- if you behave rashly this time. You could expect that an organized effort would yield better dividends

especially in the year 2018/2019 – you may get a promotion.

You may have to travel for work related matters in September 2017 onwards. Avoid any kind of lethargy creeping into work Your boldness at work would pay off this time as an aspect on the house of initiatives or shourya bhava ,is there.

FINANCE:

There could be Possible Boost up in income and financial status as the eleventh house is being aspected. There could be times when there is restriction of money flow as well till July 2017 and in 2019. Earlier savings and investments will be fruitful for you. Due to aspect of rahu on the ascendant. You may expect sudden gains and losses

You should secure yourself from any legal matters in the year 2018 and 2019.

LOVE & MARRIED LIFE:

There could be problems on the marital front- in till July 2017. Also in 2019. Learn trusting each other more as rahu afflicts your relationship house .Recognition due to rahu will improve your social value in 2018. Avoid any kind of mistrust from any side in this period.

CHILDREN:

Some happiest occasion will make you pleased- they will do very well especially after September 2017.

Your kids health needs to be protected- a constant vigil would help as rahu afflicts the planet Jupiter in your horoscope. Ensure that they are positive and optimistic all the time. The key is to maintain a good psychological bent of mind. Doing Yoga would counter balance the negative impact of rahu.

Remedies that would help you to be much better in life & solve your concerns easily

As Saturn is something that could affect your married life Also we need to strengthen the positive energies of rahu The basic Upayas are given to you

For Saturn:

- Be considerate to servants and subordinates
- Offer simple salty food to birds
- Donate black pulses or mustard oil on Saturdays

Donate to organizations that help the poor people as much as you can
