

2017

Dear ABC:

It would be a pleasure for us to be able to help you with your query. We have tried to address your query at priority along with BONUSes to help you.

Your Core Query or Concern for the year 2017:

“

Could I go abroad for working in 2017

This entails separate set of calculations and considerations for various periods (dasha) of time & is best addressed in career report.

But for your benefit we are giving, mars rules 12th house is in 12th but is combust. Though it promises foreign tours- but might get cancelled or deferred. Also avoid use of any kind of aggression or anger in getting matters done in office or family.

Also you need to control your restless nature & you may have a keen desire to change jobs and may be foreign lands based on your kundli. But being focussed in career and looking at ground realities in love matters would help you more.

Scientific Analysis

- **Year 2017 - an overview of 2017**

You run Saturn –rahu this year.

Saturn the maha dasha lord is very weak in Pisces- so over all the period of Saturn would give a lot of delays, commensurate salary and value to luck supporting you.

But rahu is well placed. Though still in balyavastha (childhood) is exalted and would give you good gains and may be possible change in job and yes possibility of foreign lands connection as it aspects your 7th house.

You have to be careful of your conduct, be loyal to family. Avoid any un conventional or rash behavior now.

Use your emotional energy & will power in proper way.

Promotion or betterment in job is possible this year.

Rahu could give you gains in career, new kind of love relationship outside the current one (of any) and gains in luck.

Ensure in career or love matters no one uses you as a scape goat- just be on gaurd- but over all should be a fair year for your career and love life.
