As Jupiter is in 11th house of d9 in 2nd sign of Taurus, he would be a practical and down to earth person along with above qualities already described.

Also as Taurus is the 9<sup>th</sup> sign in your lagna chart, so this reinforces his religious inclination and being lucky.

### **Special cases Considerations for marriage like delays, divorcee, number of marraieges etc based on D9 chart.**

Also the moon is ascendant of d9 is in 12<sup>th</sup>. So gives some stress due to marriage or travels with husband.

It gets good energy from venus and mercury ruling good houses.

The second house sun is placed it gets good influence

The 7<sup>th</sup> house lord Saturn though it a bit weak in angular houses like 5<sup>th</sup> with rahu. So might cause obstacles and issues in marriage to happen. But yes the promise of marriage is there.

As 7<sup>th</sup> house lord is with malefic, there is a slight chance of more than one marriage. Unless the marriages delayed for some time. But as moon is weak in 12<sup>th</sup> so chance is very rare, 1 in 10000.

Your lord of 7<sup>th</sup> house is fair, in d9 and in d1, the d1 lord is weaker than 7<sup>th</sup> lord so spouse from a fair status family

Jupiter – suggest your spouse would be fair or more whitish complexioned.

Married life would be fair enough as lord 7<sup>th</sup> is in 5<sup>th</sup> house. But strong conflict might creep in due to mars ruling 8<sup>th</sup> in d1 and rahu close to Saturn the lord of d9(7<sup>th</sup> house).

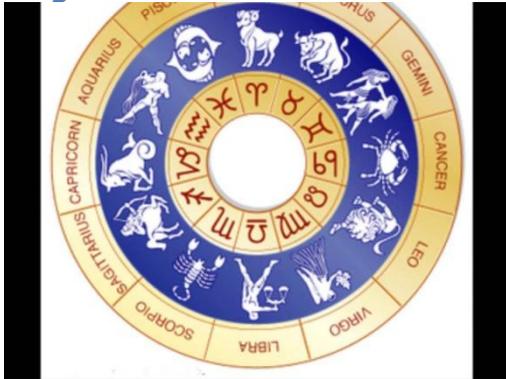

The accuracy of all above would depend on the accuracy of the birth time. If in doubt one may order BTR (birth time rectification).
