**Scientific Analysis**

## **i) Your basic life scope & destiny analysis(BONUS)**

- You are courageous and have pioneering spirit due to Leo or sun
- You may also have good taste for doing things in a new way or invest matters- TV/radio or computers could interest you greatly due to ketu effects
- You may work with secret methods or investigate matters and also be intuitive due to ketu effects.
- You could be proud, confident and famous
- You could have good health and be vibrant
- You could be helpful to friends and family
- You could be fond of family- but a few biological children

Also

- You have creative intelligence and love for drama- due to Venus and you should develop this more
- You have leadership skills and could be self employed
- You may love to travel can be a wanderer
- You also have a poetic/artistic and musical nature in your personality- develop this more.
- You could have sweet speech, generosity and beauty
- You could also have mystical nature and teaching skill
- You could have a disturbed mind and fond of sex( just an indication and may not be true , due top ketu Venus effects)

- **What does your natal Horoscope Say(BONUS)?**
- **Your run rahu-ketu in the coming period till may 2019**
- Rahu is at 18 degrees close to lagna degrees in the 5<sup>th</sup>, so any risk taking methods need to be carefully evaluates
- Moon has the blessing of Jupiter, that is exalted and promises good name and fame in general , but is close to rahu and also in transit rahu is in cancer- so public image and family and high risk matters need some basic care.
- Rahu impacts Saturn the career lord or actions.
- **So matters could get delayed due to ketu , health needs care and so does family now.**
- **So company could start- but not a great time to do so- obstacles and issues could come up, or you may want to move slow and increase energy after May 2019.**
- So though by October 2018, you may get fair support from high-up with whom you work or clients or investors, but beyond that health and family needs care, yes some growth is there but also more of obstacles. SO 2019 would make you do it- but after handling the issues as mentioned. Note your Jupiter would get into 8<sup>th</sup>

bhava in transit by that time and is 4<sup>th</sup> from moon.

- Let us look at your prashna chart

### • **What does your prashna horoscope say?**

- **Special BONUS details for you**  
**You run ketu maha dasa**
  - KET 00/00/00- not good
  - **VEN 24/ 7/18** - venus close to rahu and mercury, both malefic but strong aspect of angry mars, mars rules 2nd bhava of wealth and status so represents your investors But issues due to rahu(obstacles could be there) and mercury the 12th lord losses/expenditure
  - **SUN 30/11/18**= sun lord of gains and support in 9th bhava, just OK, so as we said by October you will get some more support from clients etc but life would be still a bit tough and proving
  - **MON 30/ 6/19**= moon has malefic energy of rahu/mercury and venus lord of 8th bhava and is close to Saturn in 3rd, so doing things could be hard - but sure with will power you can
  - **MAR 27/11/19**- this period after mind of 2019 gives full support to you :)
- All above calculations and considerations would be fine if your d9 or navamsa is correct and also that means your birth time is correct.

Else one could have a look at the birth time rectification methods.

### • **What do your numbers say of you?**

**3721 = 13/4- rahu and sun**

Jupiter-ketu-moon-sun = sun and rahu

- So rahu is close to ketu as rahu and ketu work together, same as what your dasha says. You have good money support as you see Jupiter is the first number, then you have ketu impacting the same and followed by moon( some slowness) and yes 1= success/sun only after practical hard effort of 4= rahu.

### • **Remedies for protection (BONUS).**

**For your love :**

- White sweets to birds
- Donate pen pencils/books to poor kids in education
- Hanuman chalisa daily as much as you can
- Feed birds with banana

**rahu**

- Donate to old age homes, will help you in your mental balance
- Om Namoha shivaye mantra 108 x as many times you can

### **Saturn**

- Om namaho shivaye 108 x as many times
- Donate to poor people
