- **What are Rahu and Ketu?**

Rahu and ketu are the intersection points of moon on the ecliptic, that is the plane in which all the planets including, our earth, Jupiter, mars, venus, Saturn move.

As moon's orbit is a bit oblique with respect to the movement of ecliptic(the motion of other planets on one plane) , it keeps intersecting the ecliptic plane The North node or intersection point is rahu and south node is ketu.

Rahu absorbs all the negative energy to do with rebels on this earth, crime, accidents, terrorism and sudden events. It is ruled by number 4. It also rules hard work and planning in the positive sense. But primarily is a rebel. It increases materialistic lust or desire in any person. Rahu is smoky but fiery in nature.

So is true for ketu, it is also demoniac planet- but it cause contraction or virahaa going away from the society or material needs and creating the spiritual desire. It deals with science and spirituality and ghosts .,study, research & yes analysis. Ketu is like mars and aggressive and cutting steel like. Kujvata ketu. That is like mars are ketu.

- **Why Rahu Ketu transit is very Important?**

Rahu ketu as you can see have inherent benefic and malefic nature both. Plus they like rahu functions as the eighth house lord and ketu has some qualities of the third house (action orientedness)and some of

the twelfth house(spirituality) and also ninth house (dharma).Eighth/twelfth and third house are malefic.

Also rahu and ketu are shadow planets and absorbs energy from the house and sign they are placed in. Plus also transmit this malefic energy to the first/fifth and ninth house from where they are placed in the horoscope or kundli.

So over all they have an intense and large impact on various areas of life. Generally bad than good.

- **How are Rahu and Ketu placed in Your Natal Horoscope or Chart?**

In your natal horoscope the shadow planet rahu sits on the ninth house of bhava or dharma/religion and education and foreign travels and also purva punya or past life good luck.

So it absorbs good energy- also it impacts your ninth/first and third and fifth house.

So over all it helps you stay focused on dharma or ethics, would take you to foreign lands for religious reasons. You may study a lot of occult and astrology.

Due to its aspect on first house, you could do a lot of dharma related studies but be also rash sometimes- that has to be avoided.

Aspect on third house and fifth means you could do something very non conventional in nature and also your kids would also study alto.

Ketu is a cousin of rahu , it is 180 degrees form the same and does have almost similar effects as rahu as they are symmetrical planets. Ketu in third gives you courage and also couregous friends and people around. Aspect on seventh means you may connect to spiritual people.

• **SECTION B –Analysis of your Natal Horoscope Or Kundli**

- **Your Over all personality traits & Destiny awareness would help you know how to use your potential for career betterment(BONUS):**
- You could have gift in music, dance and drama- as Venus is well placed in the fifth house of yours along with sharing energy with Jupiter.
- Due to Venus ,You could be attractive, sensual and charismatic
- You could have creative intelligence and be learned
- Due to lagna sun, You could have good health and vitality
- You could have leadership qualities and government positions

Also

- As Leo is a fixed sign, You could be proud and attractive- but with a fixed mind
 - You could be peace loving and giving spiritual advice
 - Due to Jupiter in twelfth house and energy exchange with venus, You could have good oratory skills and success in foreign lands
 - You could be wealthy with luxurious habits
 - You would be spending money on friends
 - You could have a soft disposition and a charitable nature
-
- **What is the general impact of Rahu and ketu in Cancer sign(Karkat rashi) & Capricorn sign(Makar rashi)?**

Now rahu is a fiery shadowy planet and yes it is rebellious and aggressive. So you could say excess of male energy is there in rahu and which could be used in negative matters. This planet when it gets into the watery and sensitive sign of cancer or karkat- it's not comfortable. It is something like if you put hot coal into very cold fridge water- what would happen? The steam would come up and smoke would be everywhere.

Also moon is karaka for mind and mother so over all the mind of people would be agitated and also ladies who have kids(mothers) would be affected more this time. Number of rape cases could go high as moon also represents family.

Also ketu getting into Capricorn the active earth sign is fair as ketu means fire or heat and earth gets stronger with heat. So over all transit of ketu might affect the Capricorn maker rashi people more- but more or less OK.

- **How are Rahu and Ketu placed in Your Natal Horoscope or Chart?**

In your horoscope rahu is placed in the ninth house of dharma. You may have a dominating wife and she could be of nagging nature as rahu sits in the third house of initiatives of your wife. You have to be careful about your ethics and morals. You should respect your father and follow the religion well.

As ketu is in third house of initiatives and also the third house is also ruled by karaka mars, so you could be having good energy in your arms and be adventurous. You have to keep positive actions.

- **SECTION C –Transit or Dynamic Analysis of your Natal Horoscope Or Kundli**
